When the tropic moon is in the sky — I keep growing fonder, Ev-'ry time I wan-der, With a maid who is so sweet and

shy,..... Ro-man-tic Ri-o weaves a spell a round you; Gold-en hours we spent so bright and gay,.....

there when all is still The flee-cy clouds like man-tles hidethe moon-light Out be-yond the har-bor lights;.....

..... But at this wooing hour, We sit beneath our bower, U-ni-ted once a-gain on Ri-o nights.....
